December 6, 2011

To: WE Day participants ( teachers, EAs, Administrators )

It was inspiring and encouraging to be at WE Day with you and our Sunrise students on November 23. The excitement and commitment shown by our students around the wide range of altruistic challenges in the world was amazing.

Your involvement and dedication to the wide array of social justice and sustainable development endeavours is greatly appreciated and valued. Through you, our children have not only learned the importance of making a difference and improving the world but also they have learned how to move from vision to action. Our children have committed themselves as you have to actioning their learning and their values for a better future.

I commend you for your efforts in making social justice and sustainable development a relevant and meaningful part of our children's learning and way of life. I am extremely proud of you and commend you for your humanity and for your passion for justice and equity. Well done!

Sincerely,

Wayne Leckie  
Superintendent
