ECOLE DUGALD MILK PROGRAM

Have you been hoping your child could have fresh cold milk with their lunch? Well, starting Tuesday February 16th the PFEDS group is pleased to offer a new MILK PROGRAM at Ecole Dugald School.

Here is how the program works:

* Monthly order forms will be sent home with students for pre-ordering, or can be downloaded from the school's website under "More Documents".

* One order form per student.

* Circle the type of milk your child would like on whichever days you choose. You are able to choose as many or few days as you want.

* Cost is 70 cents per carton.

* Attach a cheque (payable: Parents For Ecole Dugald School) or cash (in a sealed envelope) to pay for your selections for the month. Payment for siblings can be combined on 1 cheque, make sure each student has a separate form with room number identified and submit in the same envelope.

* As a result of the ordering process **NO LATE ORDERS CAN BE ACCEPTED** beyond the due date noted on the monthly order form.

* No receipts will be provided, make note of your order for reference.

* Milk through this program will be offered on Hot Lunch days as well "The Lunch Lady" days. You can choose which program to participate.

* Forward all questions to Roslyn Smyth, 444-5389, not the school.

February and March order forms are attached.

- February Deadline:
Wednesday Feb 3rd, 2010
- March Deadline:
Wednesday Feb 17th, 2010

Thank you for supporting a healthy alternative for our children.
