# Alternative Learning Opportunities

➤ In Sunrise, we have four Alternative Education Centers linked to our five high schools

- “Empower” - Powerview School
- “Mrs. Lucci’s” (located in Lac du Bonnet) – Lac du Bonnet & Whitemouth Schools
- “Network 4 Change – Making Connections” – Edward Schreyer School in Beausejour
- “Springfield Alternative Learning Program” – Springfield Collegiate in Oakbank

# Off Campus & Alternative Programs

- **Continuum of support ranges from extension of regular high school programming to holistic community-based resources and multi-system service delivery**
- Funded through a combination of the Sunrise School Division, Provincial Student Services Grant, Provincial Categorical Funding for Special Needs and various grants provided to Community Resource Centers

## Sunrise Alternative Learning Model

# Essential Elements

- Relationships – Can I work with adults who share my interests
- Choice – Will I be able to choose, what, when and how I learn?
- Challenge – Am I appropriately challenged in doing this learning?
- Practice – Will I have the opportunity engage in practice of my new skills?
- Authenticity – Will I be able to explore and make mistakes, with support?
- Application – Will my learning be regarded as significant by others?
- Time – Will there be time for me to learn at my own pace?
- Timing – Can I pursue my learning out of standard or traditional sequence?

# Key Instructional Approaches

- Active, application oriented, relevant experiential teaching and learning
- Significant involvement in mentorship and coaching
- Holistic, multi-sensory approaches to learning (ie; focus on academics, social emotional and health)
- Opportunities to practice communication skills and problem solving
- Emphasis on acquiring foundational skills upon which to build

# Photovoice Project

*Nothing less than  
outstanding learning experiences,  
one learner at a time*
