Dear Ms Champagne:

Thank you for your letter of February 2, 2016 in which you provided a final status update on the MNP Report recommendations.

I note that the Board has indicated that the recommendations concerning the governance model and the hiring of a Human Resources Director have now been achieved. I also note that the Board has indicated that the policy manual is undergoing a final set of reviews and an approval process by the Board and the Human Resources Director. The Board has also approved a plan to work with Manitoba School Boards Association (MSBA) on reviewing its policies and strategic plan. It is clear that the Board has been successful in working towards implementing these three outstanding recommendations and I applaud you and your colleagues for your efforts.

At this time we consider the reporting process to be concluded and no further updates will be required. Thank you for your hard work and good faith efforts during this process.

Sincerely,

James Allum
