

SUNRISE
SCHOOL DIVISION

2025 Report to Community

BOARD CHAIR

Message from Board of Trustees

On behalf of the Board of Trustees for Sunrise School Division I would like to say “thank you” to all of our staff for another wonderful year for going above and beyond for our students.

One of our goals as Trustees is to improve our community engagement. We have tried to do this by being active in school and community events, by touring schools and by listening to parents and community members. If you see us out and about, please share your thoughts with us on what is working well and what we need to work on.

Congratulations to Superintendent Trevor Reid on his first year as Superintendent. We were in good hands with Mr. Reid at the helm.

Congratulations to all the students for your hard work. Good luck to our graduates as they begin the next stage of their lives.

Enjoy the summer.

*Paul Magnan, Chair
Board of Trustees*

SUPERINTENDENT

Sunrise Education Centre

It is noteworthy and should inspire confidence among all Sunrise School Division stakeholders that our organization is led by a highly engaged Board of Trustees. Our Trustees truly understand the importance and magnitude of their responsibilities, and perform their roles with a high level of professionalism. The Board continues to provide outstanding educational, operational, and financial leadership at the governance level to our students, families, staff, schools, and communities.

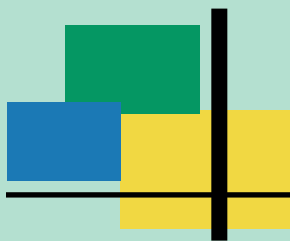

The 2024-25 school year was another exciting one for Sunrise School Division. Many highlights are contained within this report as well as in our school community reports, which can be found on school websites.

Thank you to our students, families, and staff for making Sunrise schools great places to learn and work. I am proud of the number and variety of opportunities our schools provide, both curricular and extra-curricular, for students. I am equally impressed with how our students engage in these opportunities and the support families provide for their children.

I am looking forward to the 2025-26 school year!

Thank you.

*Trevor Reid,
Superintendent/CEO*

Work of the Board . . .

Throughout the 2024-2025 school year, the Sunrise Board of Trustees has continued to work hard supporting students, staff and families. Here is some of the important operational and educational work that was undertaken this past year:

Capital Projects:

- Continued with bus replacement program, receiving 7 new buses in 2024-2025
- Lighting upgrades at OBE Gymnasium, École Dugald School west wing classrooms lighting upgrade, Whitemouth School east wing hallway lighting upgrade
- Ongoing discussions for daycare facilities at Anola School and Centennial School in Lac Du Bonnet
- Flooring upgrades to Gillis School, Springfield Middle School École Dugald School and Anola School
- Preventative roof maintenance at various schools throughout the division
- Anola School – air conditioning units installed in the school library and kindergarten classroom
- New mural, completed by students, installed at École Dugald School

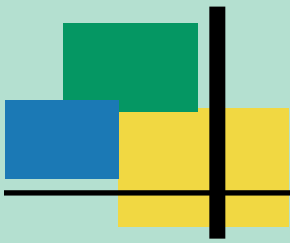

Communications with Public:

- Developed and approved the 2025-2026 school division budget with input from staff and public
- Attended 3 Regional Municipal Forums in Whitemouth, Dugald and Beausejour
- Attended numerous school and community events throughout the school year
- Hosted 2 Divisional PAC Meetings

Back row (left to right): Robin Harris, Paul Magnan, Dustin Dent, Don Nichol
Front row (left to right): Donna Wilson, Alicia Smith, Malissa Rowan, Dianne Roeland, Lorraine Boitson

Work of the Board . . .

Governance:

- Continuation on creating procedural documents for the Sunrise Education Foundation
- Ad Hoc Land Planning Committee met, outlined objectives and have been approved to carry out further matters for the next school year
- Created/Preformed a board evaluation process
- Two trustees attended CAPSLE in Banff
- Trustees attended CSBA
- Approved the budget for the upcoming school year at \$88.6 Million
- Ratified the CUPE 5097 collective agreement

Personnel:

Welcome to all the new administrators and divisional support staff, and congrats to those who are taking on new challenges in different environments this coming school year.

- Hired Laura Skiba as the Principal at Richland Colony School
- Hired Mary-Jo Hovorka-Seymour the Principal of École Powerview School
- Hired Larry Sharpe the Assistant Principal of École Powerview School
- Hired Clinton Cullen as the Assistant Principal at Springfield Collegiate Institute
- Hired Neil Harrison as the Divisional Maintenance Manager

Highlights:

- Completed Student Services and Extra-Curricular program reviews
- Welcomed 13 schools to present educational work at Regular Board meetings
- Welcomed 5 operational department presentations at Board meetings
- Toured 7 schools and the Business Centre
- Co-hosted a Long Service and Retirement dinner together with our unions
- Attended various concerts, graduations, and events within our schools

Field Trips:

The Board of Trustees is responsible for approval of overnight and/or out-of-province travel by students. This past year saw field trip approvals for:

- 1 Art retreat
- 3 International trips
- 3 Language learning experiences
- 8 Music education trips
- 5 Outdoor learning excursions
- 6 Ski trips
- 5 Sports trips

Multiple opportunities for day trips also took place at all schools this past year.

CELEBRATING OUR LEARNING...

Divisional PD Day

The Sunrise School Divisional Professional Development Day took place on October 18, 2025, with over 800 employees in attendance. The day was hosted at the Brokenhead River Community Hall and at various sites in the Beausejour area. The morning was highlighted by keynote speaker, Kevin Lamoureux, from the University of Winnipeg Faculty of Education. The afternoon saw staff across all employee groups attending professional learning sessions on a variety of topics.

Cell Phone Usage

The 2024-25 school year saw the implementation of Provincially mandated cell phone restrictions. We are pleased to share that Sunrise procedure IJNDD – Personal Digital Devices, was well received by schools. Both students and staff reported the directive was responsible for an increase in on-task time learning time and healthier relationships with classmates and peers.

Provincial Mamāhtawisiwin Resource

Sunrise Schools continue to focus on the implementation of the provincial document, Mamāhtawisiwin – The Wonder We are Born With, which is intended to support educators, by helping them deepen their understanding and progress along a path of truth and reconciliation in their schools, classrooms and communities. This includes using provincially allocated funds to invite Elders and Knowledge Keepers into our schools to share with students and staff. Our schools should be proud of the work they are doing around Indigenous Education.

Treaty Training

On April 21, Sunrise School Division hosted Treaty Training sessions for teachers at the Manitoba Museum, Lower Fort Garry, and Turtle Lodge. With guidance from Elders and Knowledge Keepers, participants explored the history and significance of Treaties in Manitoba. Building on this learning, bus drivers and clinicians attended the Powerview Graduation Pow Wow on June 6. In addition to experiencing this powerful celebration of Indigenous identity—once banned under the Indian Act—staff also took part in sessions focused on Treaty history. With 20% of Sunrise students identifying as Indigenous, these experiences support reconciliation, deepen cultural understanding, and honour the spirit of Treaty in daily practice.

Early Literacy Initiative

We made a major shift in 2024-25 in our divisional approach teaching literacy. This shift was a culmination of the work of our divisional Early Literacy Committee

comprised of early years teachers, administrators, psychologists, speech pathologists, program leaders and division principals. All K-2 teachers attended two professional development sessions with a focus on foundational literacy concepts including teaching phonological awareness (the ability to recognize and manipulate the sounds of spoken words) and phonics, in a manner that is explicit and systematic within the early years. This approach is based on the latest scientific research, is proven to be effective and is supported by the recent position statements from the Manitoba Pediatric Society, Canadian Pediatric Society, and the Manitoba Association of School Psychologists. In addition, we piloted two universal screeners this year and will be prepared to train all Grade 1-3 teachers to implement the Acadience screener next year.

Yes I Can! Award Winners

Every year the Manitoba Council for Exceptional Children holds the *Yes I Can!* Awards and they invite submissions from all over the province for students to receive awards. We are happy to be able to celebrate four students this year who received awards at the *Yes I Can!* Awards:

Academics:

Grayson Krystik from Springfield Middle School

Athletics:
Devan Chartrand from Lac du Bonnet Senior Community Activities:

Ben Sokal from Springfield Collegiate

Certificates of Recognition:
Macklyn Bjarnarson and Preslee Farias

Congratulations to all five students. Sunrise is so very proud of your accomplishments.

Mental Health Days at Schools

The well being of students in Sunrise is supported by a wide range of strategies ranging from student activities to staffing and training. Our schools offer a diverse selection activities beyond extra-curricular sports and include drama, board games, student leader groups, and school spirit event to

name a few. Students experience a variety of programs such as Project 11, Zones of Regulation, and Kids in the Know in addition to the P.E./Health Curriculum. Staffing supports include School Guidance/Counsellors, Social Workers, Psychologists and a Mental Health worker. We are committed to continuing to provide ASIST (Applied Suicide Intervention Skills Training) and Non-Violent Crisis Intervention (NCI) for staff.

3rd Annual Sunrise Unified Sporting Event

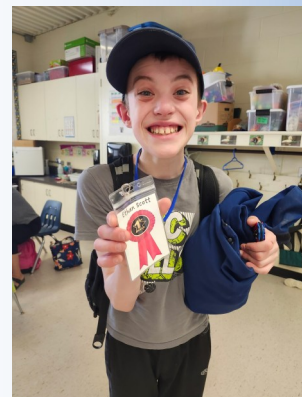

The 3rd Annual Sunrise Unified Sporting Event was held May 23, 2025, at the Sunrise Education Centre in Beausejour. This inclusive event brought together middle and senior years students—with and without intellectual disabilities—for a day of connection, celebration, and sport.

Participants took part in a variety of activities, including basketball, soccer, bocce ball, sprints, modified javelin, and shot put. Additional highlights included a lively dance party, hula hooping, and bubble-blowing stations that added to the fun and festive atmosphere.

We were pleased to welcome students from our neighbouring Whiteshell School Division, along with strong representation from several Sunrise schools: Lac du Bonnet Senior School, École Edward Schreyer School, Whitemouth School, Anola School, École Powerview School, Oakbank Elementary, and Springfield Middle School.

A special thank you goes to the outstanding student volunteers from École Edward Schreyer School, who helped run the event stations with energy and care. One of the most heartwarming moments was hearing students' names called over the loudspeaker, followed by cheers and applause from the crowd—a moment of pride and joy for all.

The event fostered new friendships and meaningful memories, and we look forward to hosting the 4th Annual Sunrise Unified Sporting Event at the Sunrise Education Centre in the 2025–2026 school year!

Youth Parliament:

Nearly 200 students from five Sunrise schools gathered at Cooks Creek Community Centre on May 7 and 8 for the annual Youth Parliament. In this mock parliamentary event, students debated bills on topics like healthcare, social media, and the justice system while developing public speaking and critical thinking skills. First launched in 1955 as the Springfield Boys Parliament, the event was renamed in the 1970s following a push for gender inclusion. Since 2015, it has been proudly supported by Sunrise School Division, allowing more students to take part in this longstanding tradition.

Esports

The École Dugald School (ÉDS) Lavender Dragons had an impressive 3rd place finish at the Esport Canada EDU Dog Sled National Minecraft Competition!

This national event included builds from the top 9 scholastic-teams from across the country, and team members Kylah Thompson, Addison Willoughby, Danika MacLean, Brea Suszczynski, and Libby Janz stood out for their creativity, teamwork, and cultural understanding as they tackled one of the most unique and meaningful esport challenges of the year.

ÉDS sent two Rocket League teams to the Esport Canada EDU Scholastic National '25, a National tournament with U15 teams from all across the country. They competed against students up to Grade 9 from across Canada and our Red Dragons (Eric Poirier, Isaac Suderman, and Brennan Kapkey) placed second in Canada, and our Black Dragons (Ashton Chartrand, Jake Dyck, Everett Holberg, and Liam Nault) placed second in the Consolation bracket. On March 22nd, the Manitoba School Esports Association hosted the 2025 Middle Years Brawlhalla Scholastic Provincial Finals esports tournament at École Dugald School. The ÉDS Gym was transformed into the ultimate esports arena for the teams from across the province.

Students in Sunrise School Division will start the 2025-2026 school year beginning on Wednesday, September 3rd 2025.

Looking forward to another amazing year.

SUNRISE CALENDAR FOR 2025-2026

The PD Days for the 2024-2025 school year are:

Tuesday, September 2, 2025

Friday, October 17, 2025

Friday, October 24, 2025

Friday, November 21, 2025

Friday, December 5, 2025

Monday, February 2, 2026

Friday, March 20, 2026

Friday, April 17, 2026

Monday, May 11, 2026

Tuesday, June 30, 2026

Sunrise will have the last day of classes before holiday break on Friday, December 19 and will return to classes on Monday, January 5.

Spring Break this year is between

Monday, March 30 and Friday, April 3, 2026.

Extra-curriculars

Sunrise had 342 teams participate in 20 different sports at 50 different levels from Grades 5 to 12. We're proud of all our athletes and their accomplishments in the Sunrise Athletic Conference, KPAC and Zones 13 and 14.

The following represented Sunrise Athletics at the provincial level:

- ÉESS JV Girls qualified Provincials.
- ÉESS hosted boys and girls Curling Provincials and the ÉESS Mixed doubles curling team won the bronze medal at the Curling Provincials.
- ÉESS Track and Field athletes Jacoby Wiens— 1500m, Ally Kowalchuk-200m and 400m, and Everleigh Boerchers— long jump qualified for MHSAA Provincials and Trevor Fontaine participated in the Provincial Badminton Qualifier Varsity Boys Singles.
- ÉESS Varsity Cheer Provincial Level 2 Champions
- SCI Volleyball JV Girls made the KPAC Tier 1 Final for the first time in school history, qualified for MHSAA AAA Provincials, Ranked top 10 in MHSAA Rankings and the JV Boys Ranked top 10 in MHSAA.
- SCI Varsity Boys made the KPAC Tier 1 Final for the first time in school history, qualified for MHSAA AAA Provincials, Ranked 2nd in MHSAA Rankings.

- SCI Basketball JV Boys qualified for the MHSAA AAA Provincials, ranked top 10 in MHSAA.
- SCI Basketball JV Boys qualified for the MHSAA AAA Provincials, ranked top 10 in MHSAA.

- SCI Football were AAAA North East Champions.
- SCI Boys Hockey team finished final 4 in the top WSHL division, best finish in school history in that division, qualified for MHSAA AAAA Provincials for first time, made final 4, ranked 6th in MHSAA.
- SCI Badminton players: Kashten Harz and Dane Wojcik placed 3rd in KPAC Boys Doubles, qualified for the MHSAA Provincials.
- SCI's Brent Grundmann placed 2nd in Shot Put and 3rd in Discus in KPAC, qualified for MHSAA Provincials.

- Whitemouth School's Braden Amos-Javelin, Discus; Hudson Stebelko-Pentathlon and Aurora Bergen-Holleron-Triple Jump, all qualified for MHSAA Provincials and Mixed Doubles Curling competed in the Provincial Qualifier.
- Whitemouth Senior Cheer Combined Team Level 2 second in Provincials.
- LdBSS Track and Field athletes Delaney Abel, Raina Andrelunas, Hunter Armstrong, Bowen Hampson, Daniel Melnick, Piper Reynolds, Saffiya Rosnow,
- Bella Thomas and Parker Thomas, all qualified for MHSAA Provincials

- LdBSS Kihoe Wold participated in the Provincial Badminton Qualifier JV Girls Singles.
- Powerview's Kaitlyn Schroeder was the Zone 13 Winner-JV Girls Cross Country and the Provincial Silver Medalist.
- Kaitlyn Schroeder and Ashton Schroeder competed in the Provincial Badminton Qualifiers finishing in the Top 16 Varsity Mixed Doubles.
- Powerview's Symmantha Chevrefils, JV Girls Javelin, qualified for MHSAA Provincials.

School Highlights

Anola School **Anthony Stanley, Principal** **Kindergarten to Grade 8, 217 students**

Anola School had a vibrant year driven by strong student leadership and student-led initiatives. Middle years students mentored younger peers through Earth Day activities, school cleanups, and reading programs. Student patrols promoted lunchtime safety and took part in their first ice fishing derby. Through artwork challenges, concerts, and ski trips, students showcased their talents and helped build school spirit.

École Dugald School **Andrew Mead, Principal** **Angela Ward, Assistant Principal** **Kelly Palmer, Assistant Principal** **Kindergarten to Grade 8, 497 students**

Our school-wide write revealed significant student growth in writing skills. Many students demonstrated improved organization, clearer ideas, and stronger vocabulary. Across all grades, writing stamina increased, and voice became more evident. The results reflect the impact of targeted instruction and a shared focus on literacy throughout the school year.

École Beausejour Early Years School **Michael Carter, Principal** **Kaela Breitsprecher, Assistant Principal** **Kindergarten to Grade 5, 469 students**

The ÉBEYS skating program is back, providing an exciting opportunity for all ages to learn and enjoy skating. Our Phys Ed staff has stepped in as coaches, emphasizing skill development and engaging activities that foster fitness, teamwork, and confidence on the ice. We also want to extend a heartfelt thanks to the incredible volunteers who supported us throughout the week; this program would not have been such a success without their help.

Centennial School **David Ogren, Principal** **Kindergarten to Grade 6, 179 students**

We are extremely fortunate to enjoy the kind of community support that we do. Mrs. Lucci's Resource Centre asks how they can support us every year. Funding, ideas, brainstorming, and partnerships are all ways that Mrs. Lucci's supports us! This year, the Lac du Bonnet Charitable Foundation granted us about \$10,000 to help us purchase communication iPads to help non-verbal students express themselves, classroom iPads so that students have classroom access to assistive technology, and equipment for our Regulation Room.

School Highlights

Gillis School

Anthony Penner, Principal
Kindergarten to Grade 6, 226 students

Thanks to the generous supports of community members, the ESD committee at Gillis School was able to begin construction of an outdoor learning space. Bonita Enterprises constructed the pad, Gillis Quarries donated the Tyndall Stone seating and Truba Construction donated the excavator to place the stones around the classroom so that students could take their learning outside.

Oakbank Elementary School

Shana Rogers, Principal
Patty Whatman, Assistant Principal
Kindergarten to Grade 5, 580 students

OBE students were given many opportunities to contribute to our community. New this year was our connection to Springfield Place. One of our grade 4 teachers started a Senior Buddy Program. She took her class to visit their Senior Buddies multiple times throughout the year; they showed off their Halloween costumes, read with them during I Love to Read Month and sang to them during the Christmas season.

École Edward Schreyer School

Lonnie Liske, Principal
Erica Massie, Assistant Principal
Jaymi Witzke, Assistant Principal
Grade 6 to Grade 12, 710 students

Thanks to dedicated staff and strong community support, the school secured a new score clock, custom wall mats, and additional sporting equipment for the gymnasium. The gymnasium, a central hub for over 700 students, hosts physical education classes, intramurals, school sports, assemblies, showcases, and concerts - enriching student life and improving school spirit.

Lac du Bonnet Senior School

Kim Stevenson, Principal
Grade 7 to Grade 12, 181 students

Staff and students at LdBSS see the importance of making connections. This year we partnered with the LdB Arts Council on a mosaic design for our 13 Moons project. Canadian Nuclear Laboratories granted our school with \$7,500 toward trees and shrubs to enhance our outdoor space, and the LdB Wildlife Association invited our students to participate in their annual trout release.

Hazelridge School

Bryna Demers, Principal
Kindergarten to Grade 5, 56 students

A highlight this year was our students' opportunity to engage in rich, hands-on learning in and beyond the classroom. From guest-led learning in math and virtual presentations, to skating lessons at the local arena and field trips like Festival du Voyageur and Ginew Healing Lodge, these experiences helped build community, deepen learning, and create lasting memories for our students.

School Highlights

Springfield Middle School
Bob Welsh, Principal
Heather Bethune, Assistant Principal
Grade 6 to 8, 345 students

We celebrate the success of our TAG (Teacher Advisory Group) activities, which have been instrumental in shaping a positive and inclusive culture, and sparked a wave of school spirit that continues to grow.

This year student-centered events like a spirited **Kahoot competition**, the “**Don’t Forget the Lyrics**” activity brought music and energy to our halls, while the **student-led carnival** showcased leadership, creativity and collaboration.

Whitemouth School
Randal Bonneteau, Principal
Kindergarten to Grade 12, 176 students

Neighbours gathered to share food, music, and memories in a heartfelt celebration at the Whitemouth School Community Picnic, which featured hot dogs, homemade salads, and sweet potluck desserts. Elementary students stole the show with ukulele tunes, xylophone music and songs. Laughter filled the air, an Art Show was appreciated, cakes won, plants bought, and hearts swelled as three trees were planted in a moving tribute to loved ones lost.

École Powerview School
Mary-Jo Hovorka, Principal
Paul Schram, Assistant Principal
Larry Sharpe, Assistant Principal
Kindergarten to Grade 12, 423 students

During the 2024-2025 school year, EPVS has made continuous efforts towards reconciliation and focused on infusing Indigenous knowledge & perspectives into the very fabric of our school. Our K-12 school hosted the 2nd Annual Showcase Powwow as a celebration of a year of learning and working together in partnership with Elders, Knowledge Keepers, and community members from surrounding areas.

Springfield Collegiate Institute
Kevin Doell, Principal
Carol Blocker, Assistant Principal
Grade 9 to 12, 629 students

The SCI student council is not just a club—it's a valuable opportunity to build leadership and school culture. Our student council drives initiatives that foster school spirit and a sense of belonging. They have organized barbecues and other events to support and enhance school spirit. The council has played major roles in our charity events, such as Halloween for Hunger and the Springfield Food Bank pancake breakfast. These efforts promote positive behavior, attendance, and engagement.

School Highlights

Richland School

Anna Langevin & Laura Skiba, Principal
Kindergarten to Grade 12, 36 students

Richland hosted their annual Mother's Day Tea to celebrate and honour the women in their community. The colony ladies were invited to enjoy an afternoon of games, tea, and treats. As a special gift, students created Inukshuks to be placed in gardens around the colony. This meaningful project was tied to their early-year Social Studies learning about the North, providing a thoughtful connection between curriculum and community.

Heartland School

Lauralee Reimer, Principal
Kindergarten to Grade 12, 38 students

This year, Heartland School welcomed Elder Simard and his son Rennie for two days of interactive Indigenous learning. Students explored natural items, listened to stories, and participated in a foraging hike around the colony to learn about medicinal plants. We were grateful for their visit and the meaningful, engaging learning experience.

Sunrise Adult Learning
Tannis Magnusson, Principal
550+ students

Sunrise Adult Learning Centres welcomed 550+ adult learners to our four school sites this year. This is a record number of students! It was a very successful school year, with 65 proud graduates and many students who completed high school courses. We are conveniently located in Oakbank, Beausejour, Lac du Bonnet, and Powerview-Pine Falls.

Grafton School

Elizabeth Redekopp, Principal
Kindergarten to Grade 12, 15 students

During the 2024-2025 school year, students at Grafton School enjoyed taking part in various escape room activities. A highlight of the year was creating their own escape room and testing it out on their parents. Another highlight was doing a school field trip to experience a real escape room.

Gross School

Kristin Balleny, Principal
Kindergarten to Grade 12, 29 students

K-8 students at Whiteshell Colony School took part in ribbon skirt making, learning about cultural traditions, identity, and the meaning behind the ribbons. It was a hands-on experience that deepened their understanding and respect for Indigenous heritage.

Springwell School

George Waldner, Principal
Kindergarten to Grade 12, 27 students

Springwell students took part in enriching experiences, including trips to the Zoo, Manitoba Museum, and a local community outing. They also performed with the Winnipeg Youth Orchestra and hosted First Nations students for a cultural exchange, all of which supported learning in Science, Social Studies, Music, and community understanding.

Hofer School

Benjamin Hofer, Principal
Kindergarten to Grade 12, 53 students

Hofer School students had several fun-filled and educational school trips this school year. Students experienced a visit to the Prairie Dog Central train station, the Beach Volleyball Court, high school gatherings, Winkler Bible Camp, a Farm Safety Day and a bike repair workshop at Hazelridge School. As well, the Simard's visited Hofer for a day of foraging and we hosted an artist in the classroom to build a mosaic.

MEDAL WINNERS

Sunrise Gold Medal Winners & Governor General's Medal Winners

Sunrise Gold Medal Winners Highest Grade 12 Average

Myles George William Rosnow (Lac du Bonnet)
Jesse Papineau (École Powerview)
Thomas Woloskoski (Whitemouth)
Kélia Haskins (École Edward Schreyer)
Addyson Walkin (Springfield Collegiate)
Ishmael Waldner (Springwell School)
Yolanda Hofer (Hofer School)
Deanna Hofer (Heartland School)

Governor General's Medal Winners Highest Grade 11 & 12 Average

Myles George William Rosnow (Lac du Bonnet)
Jesse Papineau (École Powerview)
Thomas Woloskoski (Whitemouth)
Kélia Haskins (École Edward Schreyer)
Addyson Walkin (Springfield Collegiate)
Ashton Waldner (Springwell School)
Yolanda Hofer (Hofer School)
Deanna Hofer (Heartland School)
Pamela Kleinsasser (Grafton School)
